## About Us

Cygnett Hotels and Resorts came into being as a dynamic and progressive Hotel Management and Brand Franchising company with the vision of creating a hotel company that is responsive to the demands of a metamorphosing world, without compromising the ideals of good hospitality, quality comfort, and great service in the year 2012. And, after two years of careful and detailed analysis and groundwork, in April 2014, it started operations in India and Nepal. The company is now actively targeting the Asian countries to expand the group's footprint.

The hospitality group is actively working to open 100+ Hotels across in India & Nepal and to operate in international locations (other Asian countries) within the next five years. The company is looking forward to adding 7500+ keys by 2026 and to create employment for 12,000 + employees & benchmark "Cygnetture Experiences" in the industry.

A woman wearing a pink dress and a wide-brimmed hat stands on a wooden balcony, holding up her smartphone to take a picture of a vast, scenic mountain range. The mountains are covered in lush green forest and are set against a clear blue sky with a few white clouds. The sun is shining brightly from the top center, creating a lens flare effect. The overall atmosphere is bright and scenic.
